Everette was in the residence hall next to mine (his was Mechoopda, mine was Esken) at Chico State during the Fall '97/Spring '98 School term, and was a pleasure to get to know. I believe he was in the 'Spanish/International' housing after that. Always a mensch and a good friend. I didn't realize that he'd passed away until I thought of him recently and did the google search. God bless, man. You were a great dude.
