My condolences to the family. I knew Charles very well, he was a wonderful man and loved by so many people. He took such great care of me and all the people who worked at Comcast many years ago. I truly valued his friend, such a great loss to the community. Praying for the family.

Even though Charles was my cousin, he treated my child like he was his uncle and always giving him advice and words of encouragement regarding high school then later college. I'm extending my condolences to his family. May God bless you all during this difficult time. Angela Bell (and Jordan Cole)
