Carrie, We will miss our long conversations with you when we called to talk with Horace. From the first day we met, many years ago, you became family because Horace is family. There was not a conversation we could not discuss and you did not mind giving your opinion on any of them. Your humor, your laugh, your smarts, your comments, will be missed. We will even miss you bragging about your team, Golden State and Step. We will miss you, Sister. You were loved and will ever hold a special place in our hearts. Rest Well!
