Deke Cross-Mcdade lit a candle in honor of Curtis.

Curtis was a fun and loving person. His personality will certainly be missed in the Davis Court community. On evenings when the weather permitted we would sit on James Chaney Field reminiscing about people, places and things. He was always a joy to be around. I am glad once again we made pleasant memories. Our evenings will not be the same without you sending love across the field .To the family my prayers are with you all throughout this difficult time and hope you find comfort in the memories that was shared and left by Curtis. God saw that you were getting tired and felt that you needed your rest. I am reminded of what you shared with your D.C. buddies about a week before God granted your wings. They said you voiced they were having their party now, but your party was coming later. You saw what they didn't. Curtis take your rest and enjoy your party. Deke Cross-McDade
